

L33T™ GAMING

ELITE V4 GAMING CHAIR

PU

Elite V4 is the ultimate, thoroughbred racer in the world of gaming chairs. The extra thickness, breathable PU material and the ergonomic high-density cold foam in the seat, contributes to heightened air circulation. This, combined with the professional, built-in elastic belts, you will get the best potential support for your back, when you decide to intensively game for hours.

This amazing gaming chair is built on a strong, handcrafted metal frame made with carbon steel, that offers the best, professional lift system in its class – Quality, you normally will find in the most expensive gaming chairs only. Elite V4 is a chair, you will not only sit in. You will bring it, wear it and never remove from again.
