STITCHED EDGES

The ideal gaming-gear for true gamers!

Astronomy was of vital importance to the Vikings. Their knowledge of the constellations, planets and stars not only helped them navigate the oceans and conquer the known world, it was also at the core of their veneration of the gods and the dead.

We call our mouse mats Shields and we name the Shields in honor of the stars, constellations and planets known to our ancestors

- Gamer mouse pad with 10 cool RGB light modes
- HQ frictionless cloth surface
- Non-slip rubber base for increased stability
- Easy to place anywhere
- Medium sized pad 355 x 255 x 3 mm

- Non-slip rubber base for increased stability
- HQ frictionless cloth surface
- Easy to place anywhere
- Durable stitched edges
- Small sized pad 270 x 215 x 3 mm
