GAMING CHAIR

E-SPORT PRO COMFORT

E-Sport Pro Comfort is a gaming chair made for the discerning E-sport gamer who doesn't make compromises easily. This is a 100% professional gaming chair with e.g. an ergonomic pressure-relieving cold molded foam shape in backrest/seat with a breathable function and in-built lumbar support, giving the body optimum conditions to stay alert and battle-ready for hours of gaming.

No more aching arms - these solid and must-have 4D armrests provide increased comfort and both vertical and horizontal arm adjustment. E-Sport Pro Comfort is also made from strong 19 mm steel - covered with ultra hard-wearing breathable PU leather and exclusive alcantara decor on the sides. Belt support in the back/seat and powerful multifunctional lift completes the experience.
