

## EVOLVE GAMING CHAIR

The Evolve gaming chair is the quintessence of comfortability. You can easily adjust the seat and the market's best class 4 lift combined with the professional belt support in the backrest ensure that you can stay seated in the chair for hours and still feel fresh and comfortable.

The gaming chair has a tight, fit racing design with breathable PU leather and ultracool velvet. To complete the experience, both armrests are padded and adjustable to further increase the comfort. You also get detachable neck- and lumbar cushions that allow you to find just the right position for you and your gaming style.
